The Donalda Public Library is looking for volunteers to sit on the board. We presently have 2 vacancies. This is a minimal commitment volunteer opportunity. The board meets quarterly, with additional meetings in special situations. Please contact Norma @ 403-883-0005 for more info or to express interest.

NOTICE FROM THE VILLAGE OFFICE: CURB STOPS

In the weeks ahead, Forestburg Transit Mix will be on site in Donalda to replace a number of faulty curb stops. As curb stops are the service valves that act as the junction between municipal water lines and privately owned water lines, they are typically located on municipal property. All efforts will be made to inform a residence if they will be without water for a short period of time. As main water valves will not need to be turned off, the community as a whole will not experience disruptions.

We ask that property owners check their curb stop and ensure it is accessible prior to July 13th. If fencing is placed over curb stops, it will need to be removed and relocated at the expense of the property owner. If you notice flags or survey stakes placed around the village, *please leave them as they are placed* for the safety of our contractors.

DONALDA SCHOOL

It is hard to believe we are at the end of the school year! Again, we would like to commend our families for the hard work that was done! When we look back at this year we will remember how we grew as individuals and as a school community. Our staff learned different ways of delivering quality education, and were able to take advantage of time together for professional development. Students will notice a few changes in the school when they return in the fall. We would like to send a huge thank you to our School Council, as they have upgraded our sound system in the gym, purchased phys ed equipment, and various classroom enhancements. If you would like to register a new student for our Start Right Playschool or Kindergarten programs, please go to our school website where you will find the online registration link, and school supply lists. Have a wonderful and safe summer, and we will especially look forward to seeing students in the fall! Website: donalda.clearview.ab.ca
