Thank you all for your contributions.

Donalda and District Agricultural Society

The Donalda and District Agricultural Society is acknowledging "International Year of Family Farming" in an art contest. The contest is open to all ages and any form of art is accepted except social media. Compose a song, write an essay or poem, make a craft, photographs with a story, etc... The topic is "what does family farming mean to you or your community?" Please have entries in by morning of Saturday August 9, at the Donalda Community Hall. Please, make sure you have your name, contact information, and age.

FROM THE VILLAGE OFFICE

A huge thank you to all the great volunteers who helped once again to make the Show-n-Shine and Canada Day such a great success. Your contribution and hard work does so much to promote the Village of Donalda as a destination of choice. Keep up the great work, as we in the Village Office and Council work to improve the physical plant. Also, to everyone who is working to make improvements to their own properties we salute your efforts and cheer you on!

You will have noticed some capital work going on in the Village over the last 2 weeks. This work will continue through the rest of the summer as we do rehabilitation or maintenance on all of our gate-valves, curb stops and manholes that need attention. We are also replacing four of our fire hydrants as well as doing the water-looping from the Bond Street East alley to the Haviland Street alley. Our public works department will be contacting you as they need to temporarily shut off the water in specific areas of the Village. The water shutoff times should be short, a few hours in each area, if all goes according to plan. We will also be inspecting our water standpipe once the Village is connected to the new water system. The inspection should not interrupt your water pressure or service since the pressure will be maintained by the Shirley McClellan Regional Water System. We were advised last Friday by the engineers overseeing this project that apparently there is still some paper work that we are waiting for from Alberta Environment before water can be transferred over. We will keep you updated with bulletins at the Post Office, on the bulletin board at the Village Office and on the Website as we are notified.

Thank you for your patience as we work to make these improvements to the infrastructure in the Village.

Please also pay attention to the speed limits within the Village; they are in place to protect our children as they are out and about. The loved one whose life you save may be yours.

Joan Kapiniak

CAO Village of Donalda

It is getting more difficult to find homes for sale and rent in Donalda.

To help those who are trying to sell or rent and to help those wanting to buy or rent, we are offering to compile a list and place it on the Village website so that when we receive inquiries we can refer them to the website.

Rather than increasing the workload on our office, I am willing to be the contact person so you can advise me if you have a lot or house for sale or rent. Please email me at brugart@telus.net or phone 403-883-2943 with the particulars and I will keep a list that will be placed on our website.

Information needed is lot dimensions, house dimensions, address, price if you want it listed and most importantly contact information. If you currently have a house listed with a realtor, you can list your property with the realtor as the contact.

If you want the listing removed please contact me.

The listing will also include village lots for sale.

Thank you

Bruce Gartside

SHARON LUTHERAN CHURCH

The congregation at Sharon would like to welcome visitors to our services which are Sundays at 10:00 am.

August 3	Pastor Rob Lewis
August 10	Pastor Pat Gill
August 17	Pastor Jim Culham
August 24	Mark Siemens
August 31	Pastor Harold Rust

Donalda & District Museum

Come and see the latest exhibit in the museum – an introduction to the Museum itself. The exhibit shows the variety of artifacts we have in our collection.

Although the lamps started it all, the museum is much more than lamps and this is what we want to let people know. There is the geological history, dinosaurs, native peoples, the Métis, the early homesteaders, the railway, and the development of the village of Donalda itself. You will see future exhibits on all these topics.

There are many stories we want to tell in the Museum. If you have any stories or artifacts about Donalda and district, we would like to know. Please visit the Museum and meet Ken Favrholt, Museum Manager, or phone 403-883-2100.

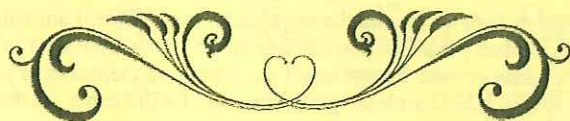

Bridal Shower

*For: Jennifer Olson
(Bride Elect - Curtis Lee)*

*Saturday, August 23rd - 2014
1:00 p.m.*

*Camrose Regional Exhibition
Administration Building - Room 1
4250 Exhibition Drive - Camrose*

*Please enter through
East Entrance Door*
