DONALDA WELLNESS NAVIGATOR

Every Friday at the Village Complex

The Navigation program provides support to individuals and families that is kind, empathetic, consistent, and is a revolving door for anyone who accesses the services.

A Navigator's role is to bridge gaps, not duplicate services. As such, a Navigator assists clients in mapping their way through Mental Health, Addictions, Family Resource Center, Healthy Families, and counselling services. These services can look like, but are not limited to, form support, advice, help navigating online services, AISH, PDD, or any government forms, and of course utilizing our internal and external referrals.

If you could benefit from this resource email bashawwellness@gmail.com or call 780-372-4074.

Feel free to stop by the *Village Office* if you would like more information or a referral. We have seen great success with this program in Donalda and with continued use we can continue to offer it to the public.

DONALDA HOME SUPPORT

Home Support offers light housekeeping, light meal preparation, laundry, and local errands. If you are a senior or have health concerns and would like some extra help in your home, **please call 780-372-4074.**

DONALDA LIBRARY

What's New at the Library.

The library will be closed on Monday, August 1. Feel free to return your books if needed at the drop off box outside the main complex door or in any town in Central Alberta that is with Parkland Regional Library System.

On Saturday, August 6, the library is having a yard sale! We will have books, furniture, and a variety of items. It will be located behind the Village Complex, across from the Show and Shine. Starts at 10:00 am.

Next Donalda Library Board meeting is at Tuesday, August 23 at 6:30 pm.

Programs

Registration still available for Library Summer Program! The program is running from August 8 – August 25. Full day Mondays for all ages 9:00 am to 3:00 pm, and Tuesday to Thursdays: for ages 5-11, in the morning from 9:00 am to 11:00 am, for ages 12-17, in the afternoon from 1:00 pm to 3:00 pm. To ensure participants would like to enjoy all of the programs available in Donalda, the library staff will drop off children signed up for the Village of Donalda Summer Program. Drop by at the library, call, or go to our website to register.

Looking for something to do when it gets too hot outside? Come down and play games at the library! We have a selection of board and card games for all ages. You can play at any time when the library is open but if you would like to play with others, come down every Thursday at 6:00 pm. All games stay at the library.

Next Adult Book Club is on Wednesday, September 21 at 7 pm. Books are available to pick up after August 16. Our first book we will be reading is 'Kingdom of the Blind' by Louise Penny. This is a suggested book from Parkland Regional Library.

Tutoring, that takes place Monday and Tuesday's, is on hold for the summer. It will start up again in September and is available for any students looking for one-on-one time in any subject.

Do you have a love for puzzles but completed all that you have in your house? The library is hosting a Puzzle Exchange Program. Bring in your puzzles (over 100 pieces) to drop off and for each puzzle you drop off to exchange, you get a token to borrow a puzzle. There are puzzles to pick up!

MESSAGE FROM THE MAYOR

Fellow Citizens;

What new and interesting things have happened in our community lately? There is a large focus on the youth in our community. Many programs are running to support families.

Teach me to Cook – This program is off and running and we have successfully completed one and the last one for July will be this Friday the 29th as well as more dates in August with pending funding. This is a great opportunity to have youth learn to cook a new meal and also bring home a meal for their family on Friday nights.

Thank you to our volunteers and sponsors for all of your work.

Summer Program and Library Program are both running all Summer. These programs are off to a glorious start with many children taking full opportunity of this program.

These programs are going to complement each other even more in August as the hours are changing. The Library Program is 9-11AM for Youth ages -11 and the Summer Program is running 11-4 for ages 4-18. The library is also offering programs in the afternoon for older kids ages 12-17 from 1-3 PM.

Mayor,
Doug Booker
