

VILLAGE OF DONALDA

The Burial Process

You will need to coordinate with the Village of Donalda Municipal Office in order to bury your loved one in the Village of Donalda Cemetery. Your funeral home may communicate with our office on your behalf for all steps in the process, or you may choose to represent yourself.

STEP 1: Obtain Cemetery Plot

You or your family may already own a Cemetery Plot in the Village of Donalda. If so, please provide our office with the receipt showing the purchase of your plot (for plots purchased 2020 or earlier) or with the original deed (for plots purchased 2021 or later).

If you do not already own a plot, you may purchase one from the Municipal Office. Please be sure to obtain a Cemetery Deed and keep this official document safe in your records.

STEP 2: Submit an Application for Interment, Burial Certificate, and Monument Deposit

You will need to inform the Village Office of your loved one's passing and their expected burial date as soon as possible. We require a minimum of one week's notice to prepare for burials.

You must submit an Application for Interment with payment for associated fees and provide our office with a copy of your loved one's Burial Certificate at this stage in the process. You also need to pay a monument deposit which will be returned to you after your loved one's monument is placed.

If possible, we also prefer to have a copy of your loved one's Birth and Death Certificates for our records.

STEP 3: Submit Monument Application Form

You will need to coordinate with your chosen monument company to submit a Monument Application Form. You must include the date of placement on this form so our staff can mark the grave at the appropriate time. We require a minimum of one week's notice to place monuments. After the monument is placed by your monument company, our staff will inspect the monument to ensure it falls within our Cemetery Bylaw monument specifications. If the monument is approved, your Monument Deposit will be refunded to you.

INTERNAL OFFICE NOTES:

- update forms
- read Cemetery Bylaw and make sure it lines up with these notes
- create a cemetery page on the website
- create a cemetery package to give out to funerals and people that includes these notes, the bylaw, all related forms, and resources from the Government of Alberta, especially the Saying Farewell pamphlet, which I'm pretty sure we can order printed copies of for free.
